

## HOMEWORK

1. We saw some instructions to believers that if you are arrested – do not resist; if you are to be killed – do not fight back; and to wait for God’s day of reckoning – patience and faith. Is this how Christians should conduct themselves now? Why or why not?
2. Look at the 5 characteristics of the 144,000 (sexually pure, devoted to Jesus, bought as first-fruits, righteous, blameless). How do they benefit their evangelistic ministry?
3. In the 1<sup>st</sup> proclamation of the gospel the 3 parts are: Fear God; Give God glory; and Worship God. Which speaks to you the most? Why?
4. Jesus is seen ‘harvesting’ is own. What does this mean to you?
