HOMework

1. Under which one of Satan's descriptive names (Devil, Dragon, Serpent, or Accuser) does he usually attack you? (To which are you most vulnerable?) Why?
2. We learned that Satan does have some power but that he cannot oppose the plan of God. How did it give the 7 churches hope and how does it give hope to a believer in 2020?
3. We saw the power to overcome Satan in 3 things: the blood of Jesus, the word of testimony and in not loving this life over the next. Which of those 3 do you use the most? Why? Which of them do you need to strengthen the most?
4. We saw that the dragon couldn't defeat the woman (Israel) or her son (Jesus) so he goes after Christians to instill fear in them. How does knowing his attack plans help you today?
